## Learner Resources

Everything kids need to start their Baobab Blast adventure! Each kid pack includes a pack of critters, a Bible book, and a kid pouch. The kid packs also include a large recycled plastic bag that can be used to keep each kid's Baobab creations in one place throughout the week.

In addition to taking a critter home, kids love to take their trading cards home and share them with friends. Each card includes a close-up view of one of the critter's features. The card has trivia information about the critter, the day's Bible memory verse, an activity or conversation families and friends can share together, and a URL and code kids can use to access online games to extend the learning outside of the VBS day.

Individual Bible books, critters, iron-on transfers, pouches, and other Baobab Blast resources are available.

## Leader Resources

Baobab Blast's got the easy-to-follow leader essentials to equip your leaders for a successful and exciting week!

**We recommend one age-specific leader guide per leader working in that age group.**

Baobab Blast contains five fabulous and flexible Activity Sites to engage kids in the joy of God's community. At Baobab Blast, the Bible is brought into everyday life in meaningful and memorable ways.

Leader Guides and Activity Site Guides are available individually. A single copy of each Leader Guide is included in each starter kit.
